Concentration: Community Health Education
- Focus areas: Cultural humility, structural inequities and health, community-based participatory research (with Dr. Nina Wallerstein), policy and community health assessment
- December 1995 **Emory University, Bachelor of Arts**
Major: Psychology

PUBLIC HEALTH/EDUCATION & PROGRAM MANAGEMENT EXPERIENCE

- 2021 – 2022 **Lecturer**, San Francisco State University, San Francisco, California
- Facilitate online course for upper-level undergraduate students in the Department of Public Health
- Facilitated on-line courses for undergraduate students in the Metro College Success Program
- 2017 – 2019 **Graduate Student Instructor**, University of California, Berkeley
Berkeley, California
- Facilitated learning for graduate and undergraduate students in Public Health and City Planning in both in-person and online/hybrid courses
- 2008 – 2016 **Youth Services Supervisor**, Mission Neighborhood Health Center
San Francisco, California
- Managed youth development and adolescent health programs at Federally Qualified Health Center in San Francisco's Mission District

- Responsible for staff development and supervision
- Responsible for program deliverables and compliance
- Managed youth development program/peer-based HIV/STI/pregnancy prevention workshops
- Led multidisciplinary Teen Clinic team to consistent success in patient satisfaction and clinical outcomes
- Participated in multidisciplinary Quality Management Committee to make data-informed decisions to improve outcomes and quality of care for patients; evaluated data
- Secured over one half million dollars of funding for various departments through effective grant writing
- Represented agency at coalitions, interagency, and multisector efforts to advance youth development and adolescent health in San Francisco (e.g., Adolescent Health Working Group, Roadmap to Peace initiative and Mission Promise)
- Trained agency staff in Minor Consent law, mandated reporting and intimate partner violence
- Engaged in policy advocacy: addressed San Francisco Board of Supervisors on behalf of agency in objection to abortion clinic buffer zone legislation

Volunteer, Certified HIV Test Counselor, Clínica Esperanza (HIV treatment and prevention services) Mission Neighborhood Health Center, San Francisco, California

- Provided non-judgmental, HIV counselling, testing and referral services to Spanish- and English-speaking youth and adults of all genders

2003 – 2007

Senior Health Educator, Health Education Department Broward County Health Department, Fort Lauderdale, Florida

Communicated clear, accessible scientific and medical information on HIV, H5N1 (avian flu) and other topics; Facilitated effective health education for diverse audiences

- Facilitated community health education on wellness and chronic diseases; worksite wellness; injury and drowning prevention; and avian flu awareness and preparedness
- Facilitated American Lung Association Freedom from Smoking® clinics
- Designed attention-grabbing informational and promotional materials for outreach
- Engaged in door-to-door outreach in multiple post-hurricane emergency deployments

Health Services Supervisor, RAPID Project Coordinator, AIDS Program Office, Broward County Health Department, Fort Lauderdale, Florida

Managed one of four national sites selected for CDC Demonstration Project: Rapid HIV Testing in Short-Term Correctional Facilities; HIV testing, counseling and referral services provided to over 10,000 adults detained in Broward County jails

- Implemented and managed daily operations of RAPID (Reducing AIDS Prevalence in Detention) project
- Prepared reports for multiple agencies including the Centers for Disease Control and Prevention (CDC)
- Supervised the project team providing HIV testing, counseling and referral services as well as provided services directly
- Collaborated with other Health Department programs – Jail Release Linkage Project, STD Program, Hepatitis Program, and Nutrition/WIC – to expand services to clients
- Created successful partnerships among parties with diverging interests; built support for program

2003

HIV Prevention Coordinator, Compass, Inc., West Palm Beach, Florida

Managed HIV Prevention programs for same-gender-loving Black and Latino men at the Southeast's largest LGBTQ center through end of funding cycle; Met deliverables

- Planned, implemented and supervised programs for men of color who have sex with men
- Developed and facilitated training for service providers to increase awareness of barriers to providing culturally relevant HIV/AIDS services for men of color who have sex with men
- Participated in Palm Beach County Health Department multi-agency Syphilis Task Force
- Produced county-wide conference highlighted by keynote speaker Keith Boykin addressing health inequities experienced by gay and bisexual men of color

2000 – 2002

Street Outreach (volunteer), Atlanta Harm Reduction Coalition, Inc., Atlanta, Georgia

Conducted outreach with Georgia's only comprehensive harm reduction program to promote access to lifesaving services and materials for residents engaged in sex work and/or injection drug use; helped maintain needle exchange site

- Distributed condoms, bleach kits, health information and referrals as appropriate during neighborhood strolls led by the legendary Mona Love (Bennett)

1998 – 2000

Health Educator, AIDGwinnett, Lawrenceville, Georgia

Advanced HIV/STD prevention for ethnically diverse young people in Georgia's fastest growing county

- Researched and produced monthly news brief and created high impact health education materials
- Developed partnerships; expanded services by outreach to establish memoranda of agreement with community-based organizations
- Trained and supervised HIV/STD prevention peer educators in high school as well as in detention facility
- Used diplomacy, creativity and evidence to negotiate with Gwinnett County school board leadership for their approval of evidence-based lesson plans for comprehensive sexual health education compliant with syllabus

1997 – 2001

HIV Instructor/Trainer (volunteer), American Red Cross, Atlanta, Georgia

Over 650 hours of instruction provided; Trained trainers; Selected for National Faculty training in Washington, D.C.

- Trained and mentored certified instructors in HIV/AIDS including African-American HIV/AIDS Fundamentals
